In Bodrum haben wir Hühner zu uns genommen.

**In Datça** tanzten wir ganz alleine.  
Auch hier gab es für Atti keine.

„Normalerweise“ serviert Erduş das Bier,

Taner and the crew,

Thank you for braving the storm that is our crazy group (and also braving the real one!). From swimming during the day to sailing at night, and the abundance of laughter in between.

Taner-Thank you for keeping us safe on the Sea, and for teaching us the "Real" Rules of tile Rummy (we think we'll never forget our night out in Symi, and we'll smile whenever we wear our sweatshirts! If you ever want to come to California, we will return the favor, "no problem."

Uğur-Thank you for sharing your talent with flavors and giving us recipes we will never make as good as yours. Also your dance moves, you've got killer dance moves.

Tugay & Ömer-Thank you for being so attentive all the time. Watching you both working to secure the boat and put up the sails was a highlight-we were impressed.

Tugay-thank you for all the laughs-you have a great sense of humor!

Ömer-Thank you for catching all those bees! We even made you smile!

Each one of you provided us with impeccable service throughout our journey. We are sad to leave but so thankful for our time on the immaculate Cevri Hasan V, the most beautiful boat on the Sea!

Captain & crew (could never spell their names) Thank you so much for the past 7 days. I had the best time I could with only my parents. Beer pong was a blast I hope the game will live on. Have a great rest of the summer!

"Technically" this is by far the best boat trip our family has taken. The days have flown by with "20 minute" hikes, snorkeling over many ruins, cooking lessons, wind surf lessons, shopping! Nights we have eaten to our hearts delight. My 51st we had lamb with a fabulous rice with pine nuts + raisins plus the most incredible chocolate mouse cake with fruit. Every day we talk about returning and I am really looking forward to another Turkish adventure with the Captain + his crew.

Please stay safe! We all cannot wait to play more drinking games + share more recipos.

Schon Goethe nannte, wenn er von der  
Ferne sprach,  
das schöne Land der Türken.  
Dies bleibt gültig bis auf den heutigen Tag.  
Wir lassen's auf uns wirken  
in uns'rem Fall ist's der Küstenstreifen  
von Antalya bis Kas.

In vierzehn Tagen konnten Bilder reifen,  
die vergißt man nicht so rasch.

Ob's das türkisbbue Meer mit Welleugang  
oder der Berge Kette,

kein Tag in warmer Sonne

wurd' uns zu lang, wir gingen spät zu Bette,  
denn nach Lesen, Baden und langem Klönen  
wurden Karten noch gemischt.

Maça Kizi - man kann sich dran gewöhnen,  
weil Getränke aufgetischt.

Den Damen mit viel Spaß an alten Trümmern  
konnte geholfen werden.

Um alte Steine taten sie sich kümmern  
hier auf antiken Erden.

Was auch immer wir beim  
Bootsurlaub machten,  
Stetig waren wir umhert  
von Männern, die an besten  
Service dachten,  
freundlich, heiter und gepflegt.

So sagen wir uns zum Ende  
der Reise:

Dies' Boot ist ein Paradies,  
das näher liegt als Goethe's alte Weise  
Wir kommen wieder, gewiß.

Erdoğan, Ali & Hassan, Slow, Slow Slow, Boys! Steve

21st - 28th May 1994

Ali, Erdogan and Hassan,

Thank you for your superb cooking, cleaning and caring and of course company during our 'active water sports holiday' - boy was that one water skiing! As for the rest of the gang, well:

Claire Lewis (the jealous, nasty one) made me drink Raki until I was full up to pussy's bow with it (you know what I mean Andrew?) and then pushed me off the dance floor forcing me to bash my head on the harsh wooden deck. John's medical assistance and Jane's <sup>aqua</sup> ~~regular~~ aerobic classes was all that keep me going. Whilst lying in sick bay and floating in and out of consciousness I keep dreaming that a Chippendale look alike was trying to strangle me - his name was Uwe - weird, but the strange thing was I dreamed he had a lovely softly spoken friendly Irish girlfriend Michelle, Uwe thought Michelle

Mémoires de huit Français à la fin de l'Odyssee

La mer, le soleil, le Super bateau ont nous  
l'a promis, l'équipage nous l'a découvert,  
les repas nous les avons appréciés, la gentillesse,  
la courtoisie, la disponibilité de Nedim et Ali  
n'ont pas faibli, le charme, le sourire du  
Capitaine Erdogan restera dans le souvenir et  
le cœur des dames, à ce beau pays à ses habitants  
Merci, en attendant une prochaine croisière qui  
sera pour moi une "troisième" édition

Quel pays magnifique,  
 Au son de la Turkish musique...  
 Des vacances vraiment "super"  
 Ce bateau n'est pas une galère  
 Je dirais même le paradis  
 Hélas c'est déjà fini!...  
 Merci Nedim pour la bouffe  
 Mais le régime dit "ouf"  
 Avec notre ami Hüseyin  
 De ce bateau, cher capitaine  
 Nous avons toujours découvert  
 De Göcek jusqu'à Kemer,  
 Des ruines et des tombeaux  
 Toujours plus haut, Toujours plus beau  
 Quant au sourire d'Erdoğan  
 Je dois dire qu'il a ses fans  
 Et quand arrive l'heure du thé,  
 On voudrait toujours rester...  
 Merci à cette bonne équipe  
 Pour ce merveilleux trip  
 Nous garderons toujours  
 Une pensée émue de ces bons jours

Martine

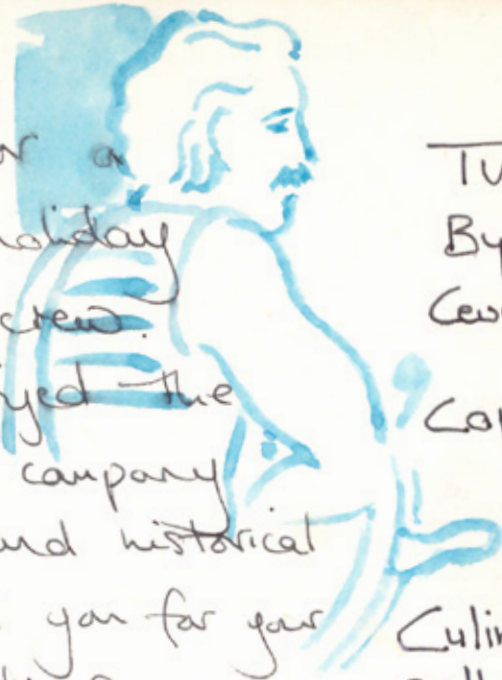

Nos trois acolytes nous manqueront  
 beaucoup de retour à Paris dont leur  
 sourire et humour nous ont donné  
 un charme supplémentaire à ce  
 pays que nous connaissons de plus  
 en plus - Buons un dernier raki  
 avec une pensée émue -  
 A très bientôt - Couinne

Turkey — a must!  
By sea — of course!  
Cevri Hasan crewed with  
skill + care  
Captain Mustafa rules here!

Culinary delights from a  
galley — so compact  
Who else, but Yusuf  
to run it all.

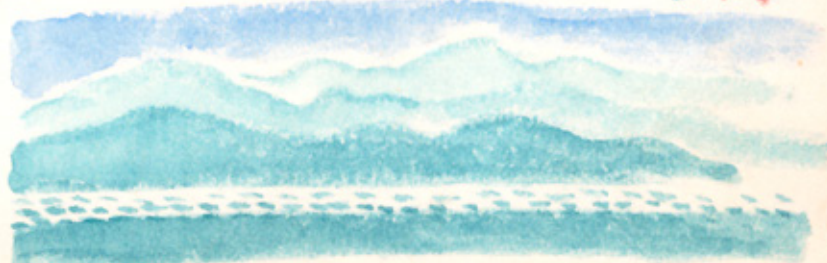

Ali, the new crew  
learning the ropes  
so eager to please  
with his smile  
with time to learn  
windsurfing too.

August 15<sup>th</sup> — 25<sup>th</sup> 2002.

We all had the most wonderful holiday on board Cerri Hasan V. Many thanks to Tamer & his crew. The children loved it all even bed time in the Cabins!

We all fell in love with Turkey, the swimming, the wonderful clear water, only the odd jelly fish. Beautiful weather hot with a marmelade wind, & we really could not have been better looked after.

Looking forward to returning.

Julia Robinson.
